Ohio Wesleyan University

1846-1901

PUBLISHED BY THE UNIVERSITY
DELAWARE, OHIO

PREFACE.

The last Alumni Catalogue of the University was issued in 1894. It is thought best to issue at the present time a directory which shall contain the names of the graduates who are now living, their post-office addresses, the academic degrees which they have received, the positions they are now holding, and their occupations. There are a number of omissions which we have not been enabled to fill.

Any person using this catalogue is most earnestly requested to send us any information whereby we may fill these omissions and make all needed corrections and additions.

When the name of a school is not mentioned the degree was conferred by the Ohio Wesleyan University.

Send corrections to W. O. Semans, Delaware, Ohio.
